# TRANSPARENT FLAT 2X4.00 50MT

Flat transparent divisible cable - 2x4.00 mm
Transparent PVC sheath

Reference: C134TN

Transparent PVC sheath.
External dimensions of the cable 4.10 x8.20 (ñ 0.10) mm.
Both conductors are OFC red copper.
Special formation made with elementary threads intertwined in two passes to create the 17x7x0.20 mm cores.
Nominal section 2x4.00 mmý.
Conductor resistance 4.31 Ohm / Km
Maximum rated voltage 49 V
Operating temperature -15 / + 70 ø C
RoHS3 Compliant: Ver. A / 16.05.17
