
MACHINE FOR FOG EFFECT WITH GREAT DISPENSING CAPACITY

All-in-one smoke / fog machine for professional effects.

Reference: ZZFM4500HZ

All-in-One Smoke/Fog Machine for Professional Effects

Specially designed for large spaces, the ZZFM4500HZ is the most powerful machine in the ZZIPP catalog. It creates massive amounts of fog to cover large venues or expansive stages in just a few minutes. Particularly suitable for theaters, large clubs, and big shows.

The machine is housed in a sturdy flight case with wheels for convenient transportation. With its 12-liter fog fluid tank, it guarantees an effect throughout the entire duration of the performance without the need for refills.

It features a high-speed built-in fan with adjustable output angle, allowing for optimal positioning in any condition. Flow control is managed through the integrated LCD panel and 2-channel DMX.
