Compact Battery-Powered PAR with 4 RGBW 4W LEDS

The new ZZEN series improves and completes the ZZIPP lighting proposal, a brand new range of lights to meet the needs of all professionals who require versatile equipment with unbeatable quality-price ratio.

The pioneers of the new series are ZZEN0404B and ZZEN0408WP compact upright fixtures with immediate use and extraordinary brightness.

Suitable for both indoor and outdoor applications, they are the ideal choice for lighting setups that require power combined with a compact body to be placed anywhere. Architectural lighting will no longer be a problem with the ZZEN series.
