ROBUST BIRCH PLYWOOD FLIGHTCASE THAT ALLOWS CHARGING AND STORAGE OF 8 ZZEN612BWP PARS

Flight case with charging circuit for 6 ZZEN0612BWP headlights

Reference: ZZEN0612BWPACBOX

Charging Flight Case for 6 ZZEN0612BWP

Sturdy flight case mounted on wheels for transportation, storage, and charging of 6 ZZEN0912BWP spotlights.

- Stackable structure for storing multiple flight cases on top of each other
- Recesses on the upper compartment allow the wheels to securely fit and transport multiple flight cases on top of each other easily, preventing accidental falls
- Integrated charging circuit for 6 spotlights
- Made of birch plywood
- Durable and lightweight
- 4 independent wheels, 2 with brakes
