ROBUST MULTILAYER BIRCHWOOD FLIGHTCASE SUITABLE FOR STORAGE AND CHARGING OF 6 BATTERY-POWERED LED PARS ZZEN0912BWP

Flight case with charging circuit for 6 ZZEN0912BWP

Reference: ZZEN0912BWPACBOX

Charging Flight Case for 6 ZZEN0912BWP

Sturdy flight case mounted on wheels for transportation, storage, and charging of 6 ZZEN0912BWP spotlights.

- Stackable structure for storing multiple flight cases on top of each other
- Recesses on the upper compartment allow the wheels to securely fit and transport multiple flight cases on top of each other easily, preventing accidental falls
- Integrated charging circuit for 6 spotlights
- Made of birch plywood
- Durable and lightweight
- 4 independent wheels, 2 with brakes
