
STURDY MULTILAYER BIRCH FLIGHTCASE FOR CHARGING AND STORAGE OF 8 PAR ZZEN612B

Flight case with charging circuit for 8 ZZEN612B headlights

Reference: ZZEN612BACBOX

Charging Flight Case for 8 ZZEN612B

Sturdy flight case mounted on wheels for transportation, storage, and charging of 8 ZZEN612B spotlights.

- Stackable structure for storing multiple flight cases on top of each other
- Recesses on the upper compartment allow the wheels to securely fit and transport multiple flight cases on top of each other easily, preventing accidental falls
- Integrated charging circuit for 8 spotlights
- Made of birch plywood
- Durable and lightweight
- 4 independent wheels, 2 with brakes
