Amplifier/mixer with integrated media player, Bluetooth connectivity, phantom power, FM + DAB radio, remote control included.

Reference: ZZONE912PA

Professional 120W mixer amplifier

The new ZZONE amplifier series has been designed to meet the needs of multi-zone audio in commercial and entertainment environments. Each ZZONE amplifier is equipped with a built-in MP3 player, allowing for playback of a wide range of audio sources.
These amplifiers offer unprecedented flexibility in audio management in complex environments. Additionally, thanks to their 100V and 4-8 ohm operation, ZZONE amplifiers can be used in a multitude of audio applications, from restaurants to hotels, gyms to conference rooms. Choose the ZZONE series for high-quality audio and simple multi-zone audio management.

Amplifier/mixer with integrated media player, Bluetooth connectivity, phantom power, FM + DAB radio.
