
FLAMETHROWER WITH 210° MOVING HEAD, FLAMES FROM 8 TO 10 METERS

Mobile flamethrower head with a 210° angle and a flame height of up to 10 meters

Reference: SF-180

Mobile flamethrower head with a 210° angle and a flame height of up to 10 meters

With its mobile head angled up to 210° and a flame height of up to 10 meters, this flamethrower is designed to provide exceptional performance in any situation. Thanks to its intelligent control and anti-oil and tipping protection protocol, you can use it with peace of mind and safety.

Additionally, with 89 preset firing sequences and programmable options, the SF-180 offers unparalleled versatility. Its stainless steel housing ensures strength and durability, while the use of ISOPAR as fuel makes it safe and reliable.
