Motorized wash-type spotlight with 19x15W 4 in 1 RGBW OSRAM LED source with zoom and macro pixel function.

Reference: TAURUS1915

Wash moving head with 19x15W 4 in 1 RGBW OSRAM LED source with zoom and macro pixel function.

After months of research and development, ZZIPP is proud to present the ZZODIAC series. A line of stage lights aimed at professionals who want a reliable, durable product with an extraordinary value for money.

TAURUS1915 is a large-sized moving wash head with an extraordinary power of 19 RGBW OSRAM LEDs of 15W each. Suitable for a multitude of uses, thanks to its wide zoom that reaches 60°, with few units, large backdrops can be evenly illuminated.

Each LED can be controlled separately in the extended DMX configuration, while in the standard configuration, it provides automatic macros for all users who need spectacular effects but do not have the opportunity to operate on many DMX channels.

Technical Specifications

- Light source: 19 x 15 W 4 in 1 Osram LED light source
- DMX linear zoom 4° - 60°, with automatic focus function
- Electronic strobe, 0.3 ~ 25 times per second
- Electronic dimming linear adjustment 0 ~ 100%
- Control mode: DMX512, master-slave, auto run, sound activated mode
- Number of channels: 16/32CH
- Rotation angle: from X to 540 degrees, from Y to 270 degrees, automatic repositioning
- Automatic error correction: horizontal and vertical photoelectric reset system, accidental collision error can be recovered and restored automatically
- Intelligent fan speed adjustment
- Dimensions: 300x210x370 mm
- Net weight: 8 kg
