Motorized wash-type
spotlight with 7x40W 4 in 1
RGBW OSRAM LED source
with zoom function and pixel
control

Reference: TAURUS740

Motorized wash-type spotlight with 7x40W 4 in 1 RGBW OSRAM LED source with zoom function and pixel control.

After months of research and development, ZZIPP is proud to present the ZZODIAC series. A line of stage lights aimed at professionals who want a reliable, durable product with an extraordinary value for money.

TAURUS740 is a large-sized mobile wash head with extraordinary power, featuring 7 40W RGBW OSRAM LEDs each. Suitable for a multitude of applications, thanks to its wide zoom reaching 50°, it can evenly illuminate large backdrops with just a few units.

Each LED can be individually controlled in the extended DMX configuration, while in the standard configuration, it provides automatic macros for users needing spectacular effects but lacking the opportunity to control many DMX channels.

Technical Specifications

- Light source: Osram LED light source 4 in 1 with 7 x 40 W
- Linear DMX zoom 5° - 50°, with automatic focus function
- Electronic strobe, 0.3 ~ 25 times per second
- Electronic dimming linear adjustment 0 ~ 100%
- Control modes: DMX512, master-slave, automatic execution, sound-activated mode
- Number of channels: 22/34/50 CH
