CABLE - 3M STEREO
MINIJACK

Reference: PPZZM300

Stereo Cable for Musical Instruments Mini Jack - Mini Jack

1 x Mini Jack - 1 x Mini Jack

Supreme Quality pure copper cable, zero noise even over long distances. Extremely robust and durable thanks to the outer PVC and silicone sheath, which guarantees both durability and extreme flexibility. Metal connectors and soldering immersed in insulation to prevent breakage and maintain quality over time.

- Low noise
- Length 3m 2x0.33mm²
- Diameter: 6mm
