
2 CHANNEL DJ MIXER COMPATIBLE WITH IOS AND ANDROID

MINI DJ MIXER

Reference: ZZMX2

Mini DJ Mixer

Compact and functional 2-channel DJ mixer, compatible with iOS and Android.

Mobile mixer for iPhone, iPod touch, or iPad/Android devices, offers the same controls you would expect from a professional DJ mixer (crossfader, cue, EQ and volume controls, etc.) in an ultra-compact mobile mixer that can be used with a wide variety of apps (iOS DJ mixing and others).
